

4 STROKE MINERAL 15W-50 MOTORCYCLE OIL (MC15W50)

Nulon 4 Stroke Mineral 15W-50 Motorcycle Oil is formulated to provide high performance and protection for a wide range of motorcycles. The 15W-50 viscosity provides increased oil film strength at higher temperatures, while additive technology assists in promoting engine cleanliness in both on- and off-road riding conditions. Nulon 4 Stroke Mineral 15W-50 Motorcycle Oil is a JASO MA2 performance oil, allowing for the correct operation of four stroke motorcycles with wet clutches while providing lower friction than JASO MA1 or MA oils. It may be used in cooler conditions where SAE 20W-50 is recommended or in hot conditions where 10W-50 is recommended.

Benefits

- Correct wet clutch operation
- Optimised wear protection
- Excellent shear stability

Viscosity Grade:

15W50

Recommended for use against the following oil industry specifications:

- Society of Automotive Engineers (SAE) : 15W-50
- American Petroleum Institute (API) : SL
- JASO : MA2

Caution

NOTE: Refer to your motorcycle service manual for correct lubricant requirements and service intervals.

SAFETY: Avoid contact with skin and eyes. If contact occurs, wash area thoroughly with soap and water. For advice, contact a Poisons Information Centre (e.g. phone Australia 13 11 26; New Zealand 0800 764 766) or a doctor (at once).

ENVIRONMENT: Do not pollute drains, soil or water with used products. After use, dispose of container in a responsible manner. Do not dispose of to landfill. Disposal of container should comply with local council regulations.

Pack Sizes

Part No: MC15W50-1
1L - 6 per carton
