

4 STROKE BIG V 20W-50 MOTORCYCLE OIL (MC20W50)

Nulon 4 Stroke Big V 20W-50 Motorcycle Oil is an advanced and uniquely formulated engine oil, designed to provide enhanced wear protection while also featuring outstanding anti-corrosion protection for when your motorcycle is not your daily ride.

Nulon 4 Stroke Big V 20W-50 Motorcycle Oil ensures good start-up flow at low temperatures and resists extreme pressure, heat and wear of contacting metal surfaces to promote ultimate performance and protection in demanding riding conditions. It is also ideal for V-Twins and many older "Classic" motorcycles that use multi-grade oils.

Nulon 4 Stroke Big V 20W-50 Motorcycle Oil is a JASO MA2 performance oil, allowing for the correct operation of four stroke motorcycles with wet clutches while providing lower friction than JASO MA1 or MA oils.

May be used where 20W-40 oils are recommended.

Benefits

- Correct wet clutch operation
- Optimised wear protection
- Excellent shear stability

Viscosity Grade:

20W50

Recommended for use against the following oil industry specifications:

- Society of Automotive Engineers (SAE) : 20W-50
- American Petroleum Institute (API) : SL
- JASO : MA2

Caution

NOTE: Refer to your motorcycle service manual for correct lubricant requirements and service intervals.

SAFETY: Avoid contact with skin and eyes. If contact occurs, wash area thoroughly with soap and water. For advice, contact a Poisons Information Centre (e.g. phone Australia 13 11 26; New Zealand 0800 764 766) or a doctor (at once).

ENVIRONMENT: Do not pollute drains, soil or water with used products. After use, dispose of container in a responsible manner. Do not dispose of to landfill. Disposal of container should comply with local council regulations.
