

2 STROKE SCOOTER & MX ENGINE OIL (MC2ST)

Nulon 2 Stroke Scooter & MX Engine Oil is an advanced, low-ash formulation that is designed to provide enhanced wear protection and low smoke production. It is ideally suited for use in two-stroke engines found in scooters, motorcycles and mopeds that use either a premix or oil injection system. Nulon 2 Stroke Scooter & MX Engine Oil exceeds API TC, ISO EG-C and JASO FC specifications and should be used as per the below ratios. Check your owners handbook for the required mix ratio for your engine.

Benefits

- Low smoke
- Dyed so that your fuel changes colour when you mix it
- Reduces exhaust port blockages
- Low deposits to keep piston rings free
- Mixes readily with petrol

Recommended for use against the following oil industry specifications:

- American Petroleum Institute (API) : TC
- ISO : EG-C
- JASO : FC

Caution

NOTE: Refer to your motorcycle or equipment service manual for correct lubrication requirements and service intervals.

SAFETY: Avoid contact with skin and eyes. If contact occurs, wash area thoroughly with soap and water. For advice, contact a Poisons Information Centre (e.g. phone Australia 13 11 26; New Zealand 0800 764 766) or a doctor (at once).

ENVIRONMENT: Do not pollute drains, soil or water with used products. After use, dispose of container in a responsible manner. Do not dispose of to landfill. Disposal of container should comply with local council regulations.
