

MOTORCYCLE FOAM FILTER OIL (MCFO)

Nulon Motorcycle Foam Filter Oil is an innovative coating treatment, designed to enhance the performance of foam air filters. This advanced formula features polymeric additives that create a highly adhesive surface, effectively preventing the ingress of sand, dust and water without impairing engine breathing. Developed to offer superior engine protection even in the most severe conditions, this product helps reduce the risk of breakdowns and extends engine life. The formula is free from chlorinated solvents, ensuring it won't damage the foam filter construction or airbox materials.

Benefits

- Repels water
- Stops dirt and dust
- Maximises airflow

Caution

DANGER: Causes skin irritation. May cause drowsiness or dizziness.

SAFETY: Avoid breathing mist, vapours or spray. Wash hands, face and all exposed skin thoroughly after handling. Use only outdoors or in a well-ventilated area.

Wear protective gloves, including eye/face protection. Store locked up.

FIRST AID: IF ON SKIN: Wash with plenty of water and soap. If skin irritation occurs: Get medical advice/attention. IF INHALED: Remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER/doctor if you feel unwell.

ENVIRONMENT: Very toxic to aquatic life with long lasting effects. Avoid release to the environment. Collect spillage. Dispose of contents/container in accordance with local regulations.

Pack Sizes

Part No: MCFO -3
300g - 6 per carton
