

MOTORCYCLE GEAR OIL (MCGO)

Nulon Motorcycle Gear Oil is a balanced lubricant offering superior protection of gear sets when compared to conventional gear oil. The shear stable formulation is suitable for use in multiple applications including ATVs, scooters and high-performance motorcycles.

Benefits

- Promotes smooth shifting
- Shear stable formulation
- Enhanced oxidation stability
- Excellent wear protection
- Suitable for use in racing applications

Recommended for use against the following oil industry specifications:

- Society of Automotive Engineers (SAE) : 10W-40
- Society of Automotive Engineers (SAE Gear Oil) : 80W-90
- American Petroleum Institute (API) : SG
- American Petroleum Institute (API Gear Oil) : GL-4
- Allison Transmission : C4

Caution

NOTE: Refer to your motorcycle or equipment service manual for correct lubrication requirements and service intervals.

SAFETY: Avoid contact with skin and eyes. If contact occurs, wash area thoroughly with soap and water. For advice, contact a Poisons Information Centre (e.g. phone Australia 13 11 26; New Zealand 0800 764 766) or a doctor (at once).

ENVIRONMENT: Do not pollute drains, soil or water with used products. After use, dispose of container in a responsible manner. Do not dispose of to landfill. Disposal of container should comply with local council regulations.

Pack Sizes

Part No: MCGO -1
1L - 6 per carton
